you can not have a life you can not lose a life you are life it is you who hold the power to decide yourself back onto the path you intended the path of welcoming and becoming your own bliss the sculptor in the sky the new book by spiritual catalyst teal scott takes you on a journey of rediscovery of the universe of god and of yourself this extraordinary book challenges us to reconnect with the eternal essence of our being and to expand our ideas about the reality we live in it is a must have for the curious the wanting and the ready a provocative guide to answering the questions that every person asks at some point in their life

in the 1920s and 1930s rayner hoff was the most gifted and controversial public sculptor in australia best known for the sculptures and friezes that adorn sydney s anzac memorial including sacrifice at its centre after moving from london in the early 1920s hoff taught at and eventually ran the national art school as well as completing the

anzac memorial sculptures which generated uproar when the catholic archbishop of sydney opposed two further works planned for the memorial he also designed the original holden lion badge won the wynne prize in 1927 and made firm friends with luminaries like norman lindsay hugh mccrae and mary gilmore this biography tells the story of hoff s life and work for the first time and how he spearheaded an australian sculpture renaissance and left a mark that is still keenly felt today

barbara hepbworth the sculptor in the studio is the first study devoted to hepbworth s st ives studio in which the centrality of trewyn studio and garden to her art and life is brought to the fore it affects my whole life work most profoundly she wrote to a friend in 1949 shortly before acquiring it a history and a portrait of a unique place the book illuminates the ways in which the place and the work are bound together it explores hepbworth s working environment and the development of her practice over a period of 25 years the studio and especially the garden that hepbworth shaped was the primary and ideal context in which her sculptures were viewed following hepbworth s death in 1975 trewyn studio was opened as the barbara hepbworth museum and sculpture garden fulfilling the hopes she had expressed at the end of her life the adaptation of hepbworth s studio home to create the museum is examined in detail

hermon atkins macneil has been written about in a variety of anthologies of american sculpture with brief sometime quite serious essays but never in a full book through the use of sound and thorough scholarship hermon atkin macneil american sculptor in the broad bright daylight is the first comprehensive straight forward accounting of his life he was born in 1866 and died in 1947 producing more than 250 sculptural creations he was one of the most accomplished and highly respected sculptors of his era with a world wide reputation for outstanding work but to his neighbors in college point queens new york where he lived and worked for forty five years what he did was equivalent to being an electrician or a school teacher just a career nothing special the book delves into the details of his major and even not so major commissions how each of his many works of art came into existence and how they were seen through the eyes of his contemporaries friends writers and critics who expressed opinions of his works within the context of the times in which they lived every day in cities and towns across america people pass by monuments reliefs on buildings or even glance at the face of a coin and never consider the human beings that brought them into existence the discussions about the symbolism of the piece or even its placement this book brings all of this to life including details of the political and historical environment of the era the accolades and the rejections included are endearing personal stories about this extraordinary artist s family friends and background in addition to a parallel narrative detailing the creative life of his wife carol brooks macneil much attention is paid to her fellow women sculptors and the challenges they faced including over 200 photographs

and images this is a book to be read and enjoyed by art lovers especially those with an interest in sculpture and to be available in the reference library of every art school college and university as well as each city or town where one or more of his works is on display

the local group is a small cluster of galaxies that includes the milky way at least half of all galaxies in the universe are thought to belong to similar groups this authoritative volume provides a comprehensive synthesis of what is known about the local group it begins with a summary of each member galaxy as well as those galaxies previously regarded as possible members the book examines the mass stability and evolution of the local group as a whole and includes many important previously unpublished results and conclusions with clarity professor van den bergh provides a masterful summary of all that is known about the galaxies of the local group and their evolution and expertly places this knowledge in the wider context of on going studies of galaxy formation and evolution the cosmic distance scale and the conditions in the early universe

the sculptor in the sky takes you on a journey of rediscovery of the universe of spirituality and of yourself this extraordinary book challenges us to reconnect with the eternal essence of our being and to expand our ideas about the reality we live in it is a must have for the curious the wanting and the ready it is a provocative guide to answering the questions that every person asks at some point in their life
